Ramnad District

## **PROFESSIONAL SUMMARY**

I started my teaching career in 1987 in my Alma Mater Avinashilingam University Coimbatore, moved to Kilakarai in 1988, had good opportunities to develop my skills in teaching, administration and research.

Under my leadership as Principal since 1992 the college has been improving by leaps and bounds to attain the autonomous status in the year 2005. The institution was Re-assessed with 2.78/4 point scale during January 2013. The college now has five research centers - in Commerce, Computer Science, Home Science, Mathematics and English.

The college has grown and transformed to cater to the needs of poor women around the college and empowerment of women of this locale has created a good impact in the educational uplift. This is the only autonomous college under Alagappa University enjoying its autonomy with full academic freedom to exercise in its true sense to meet the local and global challenges.

Our graduates and post graduates are employed in MNCs in India and abroad and also in private and public sector. I am proud and happy that since two and half decades, this college has brought a sea change in the educational uplift of the women minorities of this area

The all round development of this area through higher education of women in its true sense imparted through this college is obviously visualized.

Being a leader of this institution for the past 25 years and a total length of 30 years of continuous service in the same institution, I am happy that I have been an essential part of this change in developing and molding this institution to its present level

## **SUMMARY OF SKILLS**

Active participation in [groups, plans, events]	Positive atmosphere promotion
Teaching, tutoring and counseling	Democratic
Motivating students	Goal Setting and Implementation
Interactive teaching/learning	Public Relations

Classroom management	Active Research
Creative lesson plan development	Corporate Social Responsibility
Perceptiveness	Community Involvement
Team building	Social Critical Thinking
Multitasking	Curriculum Development

## **SERVICE PARTICULARS**

### **Professor and Principal**

Head Department of Food and Nutrition Research Center  
July 1994 to October 2013

Thassim Beevi Abdul Kader College for Women - Kilakarai, Tamilnadu

### **Courses teaching and taught**

Advanced Food Science, Nutraceuticals, Functional Foods, Community Nutrition and Human Physiology, Health Psychology

### **Research guidance**

5 Doctoral degree candidates are under my supervision now.

1 awarded Doctoral Degree. 2 submitted

12 scholars have been awarded M.Phil Degree

### **Approved guide of**

Alagappa University, Bharathiyar University, MS University and Mother Teresa Women's University for Doctoral Research Guidance.

### **Teaching**

Vice Principal and HOD of Home Science from Sep 1993 to Jun 1994  
Thassim Beevi Abdul Kader College for Women - Kilakarai, Tamilnadu

Assistant Professor and Head Department of Home Science from Jul 1988 to Aug 1993  
Thassim Beevi Abdul Kader College for Women - Kilakarai, Tamilnadu

Assistant Professor from Jan 1988 to Apr 1988 Avinashilingam Home Science College for Women - Coimbatore, Tamilnadu

Assistant Professor from Sep 1987 to Dec 1987 Fatima College - Madurai, Tamilnadu

## EDUCATION

Ph.D., Food Science and Nutrition Madurai Kamaraj University - Madurai, Tamilnadu, India	2007
M.Phil, Food Science and Nutrition Mother Teresa Women's University - Kodaikanal, Tamilnadu, India	1991
Master of Science, Food and Nutrition Avinashilingam College for Women - Coimbatore, Tamilnadu, India	1986
Bachelor of Science, Home Science Fatima College, Madurai Affiliated to Madurai Kamaraj University Tamilnadu, India	1984
12th Std, Board of Higher Secondary Education Sourashtra Girls Higher Secondary School - Madurai, Tamilnadu, India	1981
10th, Board of Secondary Education Sourashtra Girls Higher Secondary School - Madurai, Tamilnadu, India	1979

## Community Involvement

### Contribution towards societal development

I have contributed my educational services for the uplift of Minority Girls' as a Founder Teacher of this esteemed institution. I am an active researcher, currently guiding my research scholars in bringing out an alternative technology to produce palm sugar in a short duration, with 100% purity, where as the conventional method which has impurities and time consuming. The outcome of the study has contributed to design a “palm sugar extractor” to help the rural people involved in palm candy production. The findings of the study also will contribute to increase the production of palm sugar with value added properties as it is an alternative natural sweetener for diabetic patients.

My institution has achieved “Academic Excellence” under my guidance and leadership. As a part of corporate social responsibility we have created strong linkages with our neighborhood and community, through our “Seethakathi NGO”

approved by the Tamil Nadu Women Development Corporation, Chennai since 2002. We have formed 858 self help groups comprising 12,012 womenfolk, who are under our care for social and economic uplift in our backward region;

As a Project officer of Seethakathi NGO, I have conducted many programmes for 2000 SHG women on capacity building, Disaster management, entrepreneurship development, palm product making, dry fish processing and mushroom cultivation, seaweed farming, arecanut leaf product making, Skill training programmes, Consumer Rights, Human Rights, and so on.

Bank Loans were disbursed to the extent of ₹ 122.37 million (INR) to the SHGs

Rs.10 lakhs was given as interest free loan to the Self Help Women for income generation activities.

Most of the women of the SHGs have been fine tuned to become successful entrepreneurs.

Other significant activities motivated by the NGO and undertaken by the SHG Women are Prevention of dowry, alcohol consumption, and caste creed problems etc.

SHG participated in various awareness programmes launched by the Government like Family planning, eye donation and blood donation camps, AIDs awareness and so on. Free maternity camps and eye camps were organized, along with Yousuf Zulaikha Hospital, a sister concern of our Trust.

Seaweed cultivation training programmes are initiated for the welfare of the coastal population, affected by Tsunami.

I managed the ETRP [Emergency Tsunami Relief Project], Govt. of Tamil Nadu through DRDA as Project Co-ordinator. Our Seethakathi NGO liaised with the Government in constructing 5000 houses in the Coastal Region of Ramnad District

**In recognition of my outstanding services towards Welfare of Women the Chief Minister of Tamilnadu Selvi J Jayalalitha has given the meritorious Award "The Best Social Worker Award for Women's Welfare on the 66<sup>th</sup> Independence Day celebration at St. George Fort on 15<sup>th</sup> August 2012 with a 10gm Gold Medal and a citation.**

**I am a member of Girls' committee on education in the National Commission for Minorities Educational Institutions (NCMEI), New Delhi. For the first time, I served in this committee during 2007-09. The committee was reconstituted during 2010 and again I was nominated for the second time for a period of two years from 2010-12. I involved myself in planning, promotion and popularization of various programmes of Girls' committee on education by NCMEI, New Delhi during the third term (2012-2014)**

From 2008 to till date, I am serving as Joint Secretary in the Ramnad District Muslim Women Aid Society to help the poor and needy downtrodden Muslim women under the leadership of District Collector as Chairman. I have raised funds to the tune of Rs.8 lakhs through memberships as patrons and donations for this society since 2009. The distribution of funds for the needy women was done during the month of Ramalaan. Our objective of this society is to provide scholarships for education, medical help and for starting micro enterprises. 1616 downtrodden Muslim women beneficiaries received ₹. 90,67,500/- through Ramnad District Muslim Women Aid Society.

In our Institution, Thassim Beevi Educational Endowment Scholarship [TBEEES] Private Scholarship Scheme was initiated by me, in which the Secretary of the College as Chairman to assist poor minority girls enrolled in various departments of the institution. This scheme has brought a sea change in improving the educational lot of poor Muslim Girls in our Region. Every year we disburse 20 lakhs worth private scholarships in the name of TBEEES scholarship to the meritorious girls who deserve scholarships.

I am involved in District level committees for social uplift and as advisory committee member of NSS, RRC, YRC and NSS activities of our University area.

During January 2010, I have initiated and started the IGNOU Community College to promote inclusive education for the school dropouts of our region. These are the major contributions I have carried out for the uplift of women minorities of our region.

### **Professional Affiliations**

1. Board of studies Member in B.Sc. Home Science for the affiliated colleges in Alagappa University for the year 2017-18 to 2019-20.
2. Board of studies Member in Food Science and Nutrition (Post Graduate) for University of Mysore from 2016 to 2019.

### **ADDITIONAL INFORMATION**

My noteworthy qualities include-

- I am an integrated personality with team leader skills. Having lot of patience and perseverance, honesty is my policy; sincerity and hard work are my way of life.
- Unshakable faith in Almighty, I am committed to my profession as an educational administrator.
- Under my leadership since 1993-94, the college has been growing steadily, with many academic achievements and the institution has today 12 UG departments, 7 PG Departments and 64 certificate, diploma and advance diploma programmes.
- The College has been accredited and reaccredited by NAAC during 2002,2008 and 2012 under my leadership & secured B grade (2.78/4 Point scale).

- Since 2009-10, three departments (Home science, Computer science & Commerce) are upgraded as “research centers” of Alagappa University, Karaikudi, the strength has grown from 65 to 2000 students.
- Within a span of fifteen years, my institution has become “autonomous” granted by UGC during 2005-06.
- This is the first Muslim women minority institution in India achieved autonomous status.
- Within a span of 3 years of establishment of this institution the college was included in 2f and 12B of the UGC act during 1991.
- ‘Quality’ is our policy and we have translated quality in all our institutional growth and development.
- My college stands as a ‘beacon of light’ for providing higher education to women minorities of this region.
- Lot of UGC funds were tapped under various schemes of UGC, to the tune of 4.5 crores.
- The Department of Agricultural Marketing and Agri Business has approved ₹. 75,00,000/- (Rupees Seventy Five lakh only) towards grant in aid to our college for the creation of infrastructure facilities for running B.Sc Food Processing and Quality Control under graduate degree programme under Human Resource Development scheme of National Mission of Food Processing. Sanction is accorded for release of ₹. 37,50,000/- (Rupees Thirty Seven Lakh and Fifty thousand only) towards first installment (50% grant) claiming of grant in under process
- I entered the portals of this institution as a young founder teacher.
- I have rendered my continuous educational services for the past 25 years in the most backward region of the state to uplift women minorities.

- As an educational administrator the success of this institution will speak volumes of my hard work, commitment and involvement.
- The Institution has received ISO 9001-2008 Certification since 2012.
