

President's Message

Dear Friends,

It gives me a deep sense of happiness to get connected with you through this newsletter. In this newsletter you will find the sharing of impressions by our alumnae and inauguration of international alumnae chapter and so on. I am sure you would enjoy them. I extend my thanks to all the alumnae for their contribution in this newsletter. All the alumnae are most welcome to share your achievement, memories, and impressions with us which can be uploaded in the college website and in the alumnae newsletter. I appreciate the efforts taken by the editors to publish this newsletter. I request all the alumnae to render your full cooperation and support for the successful functioning of the alumnae association. There are many things that we could do with our abilities. So let's get together, expand our network and support our alma mater to enter into a new world.

*On behalf of the
alumnae association of TBAKC,
I am happy to wish our beloved
principal for receiving an award
for her social service*

All the best for your success.
