

Dr. Anwesulani
President, Alumnae Association

Dear friends,

I feel very happy to meet you all through this newsletter. I would like to remind you that we all have been given much by our great institution "TBAKC" and it is our individual and collective responsibility to give back in whatever way we can. It is my humble request to all of you to come forward and participate in our association's events enthusiastically and show your support. Your increased participation will serve as a motivation for all of us to strengthen the association. It is so important to keep our bond of excellence strong and unbroken in order to aid our students and institution. I hope that we can take the association to the greater heights with the help of your unvarying support and paramount guidance.
