Dear Alumnae,

Flee back to the time, and wipe out the said word "BYE". Yeah. It was not the break, but an interlude to realize the preciousness of the relationship. It has been a much anticipated and a privilege moment, to meet and address each of you through this newsletter.

On behalf of the TBAK Alumnae Team, I convey my salaam and wishes to you. Also our team would like to thank you all the TBAKians for sharing their valuable memories and for being a silent contributor for both the newsletter and the Mega Alumnae Meet-15. TBAK is always looking forward on how we shall be in touch with our alumni and are always delighted to hear about your works, interests and attainments. Meanwhile we do appreciate receiving your feedback. Keep in touch, strengthen your accomplishments and be a role model to make our Founder's vision to be fulfilled at its highest.

Regards,

President Message

Dear Alumnae,

Bismilla Hirahma Nirraheem.

Assalamu Alaikum Warahmathullahi Wabarakathuhu...

It gives me an immense pleasure to meet you all through this newsletter. I am extremely grateful and humble to our principal and faculty for having chosen me to serve as your president of TBAK alumnae association from 2015-2017.

You have placed your trust in me and I pledge to work untiringly to grow this association that will support our dear alma mater. This is an incredible dynamic time to be bonded with our college. During my tenure I would like to ask each of you to come back...come back to see, hear and feel the atmosphere of your alma mater.

Each of us play an important role in the continued success of this association. Remember "Big accomplishments begin with small acts". Whether you live here or anywhere in the world there are varieties of opportunities to enrich your life and deepen your connection with your TBAK family.

This special day will be everyone's opportunity to contribute and engage ourselves to bring innovative changes. As an alumna I hope to build on terrific achievements of my predecessors and also to involve current students on future stake holders of our association

Along with your help we can construct an association committed to the purpose of promoting the mission and supporting the activities and objectives of this great institution. Collectively we can make a difference!

Wish you the very best in all your future endeavors with warmest regards and prayers.

Yours,

M. Ismath Mahajabeen,
President of TBAK Alumnae.
