

## PRESIDENT MESSAGE

Dear alumnae

Assalamualaikum var..

I am deeply humbled and delighted to welcome you all through this news letter.

Our college is an illustrious institution that has positively shaped the lives of those that entered its portal. Life at this campus is an invigorating experience that paves the way for wholesome development of personalities.

Alumnae working together can make a difference in the lives of students today who are destined to be the leaders tomorrow. Let us therefore be discrete and righteous in thought, work & deed and strive to uphold the TBAKC tradition of justice, truth and love in all our endeavours. Our mission, vision and priorities all serve to build on the strong foundation of our alumnae community.

We aim to provide the finest motivating and inspiring environment to our students for learning and to help them become "Physically strong, mentally alert, intellectually sharp and spiritually elevated and thereby turn into winning personalities."

All of us took away great memories from here, friendships to last a life time. Wherever you are, whatever stage of life there is something here for you. I hope you will consider finding the right way to express your support for the college. The one thing I ask each of you is to consider getting involved in anyway you can and with your enthusiastic support we can build on our proud history. As we grow and develop we trust that you will be there participating in your alumnae association. There are countless ways to get involved and try to maintain a personal connection with the college.

Finally I extend my sincere thanks and appreciation to all my teammates for being energetic and co-operative throughout my tenure.

May Almighty Guide and Cherish with His Mercy in Abundance...

"Wishing you all a successful 2018"

With Regards and Prayers,

**M. Ismath Mahajabeen**
